

The Lair of Grulzryrth, The Squealer  
Treasure Cove  
DR4 6AN

Monday 6<sup>th</sup> July

Dear Centaurs,

As you will no doubt be aware, in September you all become Dragons. I have been granted the title, 'Chief Dragon Tamer'. This is a great honour for me and I take my duties very seriously. I look forward with relish to helping you all become the best dragons you can be.

In my PowerPoint, I have shared a few facts about me and what I like doing. Now I would like you all to tell me about yourselves so I can get to know you all better. You might like to write me a letter, send some pictures, make a poster or a PowerPoint - however you like!

Although we have all met before when practising for the Christmas concert and I know some of you from football, I am excited to get to know you all properly as Miss Morrison has told me how fantastic you all are.

Year 6 is a very special year and I can't wait to share it with you.

Mr Atkinson

P.S. As you can see, Grulzryrth says hello as well.
