4 September 2020

Dear Parents/Carers,

We have had the most wonderful two days with your lovely children. It has been fantastic to be back with a school full again!

I have visited the classes (from their doorways of course!) and the children seem to be so happy to be back with their friends and new teachers. They have all been absolutely magnificent in settling into our new routines and systems, without any moaning at all!

As always, all I can say is how proud of the children I am and how wonderful it is to finally be back.

Thank you to all of you for your understanding regarding our new systems. We really do appreciate how prompt parents/carers were this morning. I understand that we have limited space outside the school gates, but please be mindful of social distancing when dropping off and collecting your children.

As stated before summer, all of our systems will be continuously reviewed and updated. For next week, we will keep with the same system for the start and end of the day as we have had this week. Please could parents/carers of children in years 1 and 5 line up to the left of the school (Farnborough Hill) and parents/carers of years 2,3 and 4 line up to the right of the gates. Whilst we understand that it will take slightly longer to collect your children it will be a safer procedure for both children and adults.
