Dear

Parents/Carers,

We hope that you and your families are safe and well and that your children have now returned to their educational setting after the half term break.

In recent weeks, many parent/carers have expressed concern about who to speak to about receiving additional support for their child or young person. Sadly we can't get out and about to meet parents/carers in the ways we used to, so have instead arranged a number of different Zoom sessions around the

subjects that you've told us you would like to know more about. These sessions are open to all and we'd love you to join us to ask experts any questions you may have or simply to sit back and listen with a cuppa in hand. Please see the range of topics below and please note that most sessions are duplicated with a day and evening session on each subject to accommodate working schedules and parent/carers availability.

If there are any subject areas that you would like to know more about or would like BPV to consider running a themed session around, please e-mail your suggestions to info@bromleyparentvoice.org.uk.

We look forward to seeing you virtually soon!

Kind regards,

The BPV Team
