

Farnborough Primary News

Number 4. Monday December 14

Editor: Leah Scriven, Year Six Dragons

Dragons are full of ideas to entertain others

THE Year 6s have been thinking of events they could make to do with Christmas for the other classes. They have conjured up lots of magnificent ideas in groups that work together.

One group including Me (Leah), Olivia, Vincent, Leon, William, Noah and Helena (all from yr 6) have thought of creating some lovely Christmas craft videos for the other Year groups to follow along with.

They will tell you what you will need and take you step by step to create a wonderful craft.

We asked Leon what one of the crafts will be that his group will make for the craft videos and he said that they will craft a 3D star out of paper, glue and scissors.

Another group consisting of Max, Spencer, Somayina, Megan, Izzy and Freya have thought of creating a sports event for the other Years. In this event, they will have a game where you have to run and collect snowballs (scrunched up paper unless it snows) on the way.

We asked Somayina what she will do if it rains or is very cold and she replied, "Sadly, we will have to reschedule."

The rest of the children from Year 6 have been making quizzes for other Years. Anni and Katia for Reception and Year 1; Saskia, Charlotte, Amelie, Billy, Michael and Dannii for Years 2 and 3 and Ellis, Henry and Michael for Year 4 and 5.

We were able to grab Katia before she went out to break to ask her if she has written a quiz before and she said that she has not, until now.

We also caught Iona when she was sorting out Christmas cards for other classes to ask her if she enjoys taking quizzes herself and she said that she does.

We hope that you enjoy these events when they take place soon.

Farnborough festive fun well under way

FROM the previous week, you will have seen the Reception nativity was able to go ahead!

We have kept up to date with this and just wanted to inform you that the performances are now complete.

Above you can see a picture of all the Receptions lined up at the end of the play.

We wish the Receptions, and all of the other children a good time in school. Stay safe!

Festive Film Day will be on Wednesday 16 December. We will be in our own bubbles and will watch a Christmassy movie and have cinema style snacks like popcorn & party rings. We hope that you enjoy your Christmas movie and love the snacks.

The Christmas song flash mob dance competition will be on Thursday 17 December at 9.30am onward.

Each class has choreographed

some amazing dance routines that will be shown on Zoom to the children and their parents.

Flash mobs started in 2003 when organised groups would suddenly show up in shops in New York, but now they usually involve groups of dancers or performers being filmed for the internet.

We hope you enjoy your dance – practice makes perfect. Keep dancing!

Christmas jumper day was a great success!

THESE were the year 6s on Christmas jumper day. They practised their flash mob dances on this day as well.

Above, you can find out more about the Christmas song flash mob dance competition. Dragons had a

great time on Christmas jumper day, admiring each other's sweaters, and we are sure that the other years did as well.

Look out for animations and posters

OLIVIA (Year 6 Dragons) has created some wonderful animations and posters about events in Farnborough.

We were able to ask Olivia 2 questions.

1. When is the next animation or

poster going to be coming out?

A) I have done one animation and I recently finished a poster, but I will probably not do many more animations this Year.

2. Do you enjoy making them?

A) Yes, of course. I wouldn't do it

if I didn't enjoy it! Sometimes it is a little bit boring and my right arm is always hurting from drawing all of the time but I do enjoy it.

Go to shorturl.at/rJP89 to find one of her animations about the Christmas market.
