

FEBRUARY HALF TERM ONLINE CLUBS

Dear Parent,

We hope that you and your family are staying well!!!

This February Half term, even though we cannot run our popular holiday camps outdoors, we can still provide affordable fun and engaging sessions each day of the half term to keep your child exercising and getting some great coaching each day!

For all online sessions, you will only need a space at home indoors or in the garden which is around 1.5 metres by 1.5 metres and no special equipment is needed. All sessions are 40 minutes in duration.

Visit www.skillsacademytld.com for your choice of Football, Active Games or Dance half term camps.

You can book one Category for the week or you can choose all three categories for a day. So for example, you could book football for your child every day, or book one day for all three- Football, Active Games and Dance. We have specialist coaches ready to teach each category.

If you book all clubs for the whole week, you receive a 15% discount off the total price!

Look for the 'Book now' tab on the website.

We hope your child can join us! Please do share with friends as it is a great way for the children to see their buddies during the half term while doing a fun activity.

Kind regards,
The Skills Academy Team
