Mrs C Browne B.Ed Hons Head of School

22 April 2021

Dear Parent / Carer,

Raising E-safety awareness: The importance of knowing the dangers on the internet

Thursday 6th May 4.00pm-5.00pm

As part of our online safety curriculum, you are warmly invited to an e-safety awareness workshop held virtually on Thursday 6th May between 4.00pm and 5.00pm.

Over the past year, children have been exposed to more and more internet use and so it is more important than ever to share with parents and children the risks and benefits of using the internet. In May, we will be holding both parent and child online safety sessions to highlight the importance of keeping safe online.

Using the internet safely and positively is a key message that we promote at Farnborough and we aim to provide the children and yourselves with as much key information as possible to empower them to become safe users of the internet and mobile devices. The main purpose of the workshop will be to learn about specific online concerns and dangers, which your son/daughter may face or be exposed to, and to find out how you can minimise the risks. We hope at the end of the session you will feel you have a greater understanding and knowledge of the dangers your son/daughter may face and know where to go for help and advice if you have concerns.

To register for this session, please use this link:

<https://attendee.gotowebinar.com/register/2414867698130060304>

For more information, please read the attached flyer from ECP, who will be leading the session. You will also find the joining instructions for the session attached.

If you are unable to attend this live session, a recorded version will be available for a week, starting on Monday 10th May 2021. A link to this recorded session will be sent out closer to this date.

Yours sincerely,

Miss A James
Head Teacher
