Friday 17 September 2021

Dear Parents,

Year 6 will be learning about sex education on Tuesday 5 October at school as a part of their PSICHE education. We will be watching a series of short videos to support the sex education curriculum as well as discussing how our bodies change during puberty and how to deal with relationships and peer pressure as they go through their secondary school years.

The videos we show are made up of a series of short clips. If you would like to view these, please contact the office.

The children will learn about the changes in their bodies together, then will be separated into boys and girls for further discussions and questions.

You may withdraw your child from the sex education part of the curriculum but they must remain in the relationship part of the lessons. Please email your response to the statement below to admin.office@farnborough.bromley.sch.uk by Monday 27 September 2021.

Yours sincerely
