

# The Pegasus Year 3 Team

- Miss Spreckley
- Mrs Humphries
- Miss Stockwell

*"And a strange sight it was, this tiny dark-haired person sitting there with her feet nowhere near touching the floor, totally absorbed in the wonderful adventures..."*

# Timings of the day

Gates open at 8:40

Register at 8:50

Lunch is at 12.15 until 13.15

School ends at 15.15

*"And a strange sight it was, this tiny dark-haired person sitting there with her feet nowhere near touching the floor, totally absorbed in the wonderful adventures..."*

# Uniform Standards

Children should wear smart school uniform or their P.E. kits on P.E. days.

Year 3 have P.E. on a Tuesday and a Thursday, so children should come to school in their P.E. kit on these days.

Long hair must be tied up and any bows/hairbands etc should be in school colours.

*"And a strange sight it was, this tiny dark-haired person sitting there with her feet nowhere near touching the floor, totally absorbed in the wonderful adventures..."*

# The Weekly Timetable

Here is an example of a week in Year 3:

YEAR 3 Pegasus: AUTUMN TERM 1 TIMETABLE

	8:40 - 8:55	8:55 - 10:15	10:15 - 10:30	10:30 - 11:30	11:30 - 12:15	12:15 - 1:00	1:00 - 2:00	2:00 - 2:40	2:40 - 3:00
Monday	Registration, Early morning work.	Daily Mile	Maths	English	Guided Reading	Handwriting	Science (Ibads available)		Story

Thursday		English		P.E	Grammar	Topic	Achievement Assembly 2pm		Story
Friday		Daily Mile	English	Maths	Spelling	French	R. E		Circle Time

## ENGLISH

As writers, we will look at a variety of genres, analysing their key features and writing our own versions. We will be focusing on describing settings and characters in fiction writing and explanations and instructions in non-fiction work.

## MATHEMATICS

As mathematicians, we will practise addition, subtraction, multiplication and division. Our times table focus will be on the 3 and 4 tables and we will continue to consolidate 2, 5 and 10 times tables. We will develop our knowledge of fractions, measure, shape and statistics (graphs). Problem solving and reasoning activities will be running throughout all of these concepts.

## SCIENCE

As Scientists, we will be focusing on Animals including humans this term. We will be working towards answering the question: How has Cristiano Ronaldo maintained his position in the football world?

We will look at muscles, joints and food to help us find out more in order to answer this question.

## Computing

As safety experts, we will be learning in the first half term about how to be responsible online. In the second half of the Autumn Term we will be focusing on how to search effectively which will help us to use the internet for research. We will also learn about computer networks and start to think about how they work.

## MUSIC

As musicians, we will be learning different songs and focusing on what makes a good performance. Our songs will be linked to our topics, such as the Human Body and Food and Drink in our Science topic.

## PSHE

As members of our community, we will be considering our similarities and differences. We will also be setting ourselves goals and thinking about our role in the community.

## RE

As good citizens, we will learn about the Buddha, thinking about the questions:

What is a Buddha?

How did the Buddha teach that people should live?

In the second half of term, the children will investigate 3 different faiths and the significance of peace to all of

## Physical Education

As athletes we will be developing our gymnastics and dance skills and choreographing routines. We will be developing our ball skills, attacking and defending through football and tag rugby.

## LEARNING IS FUN

It would be fantastic if you could continue to support your child with daily reading, learning number bonds/multiplication tables. Board games involving counting and spellings/vocabulary are a fun way to support your child's understanding.

## Art

As artists, we will be creating Egyptian necklaces, designing a cartouche using hieroglyphics and creating our own pyramids.

## French

Year 3 is the first year where you will be learning French. As **Linguists**, we will be learning some basic words in French, such as simple classroom instructions, greeting others and our numbers to 10.

We will have lots of fun speaking and listening to French, playing games and completing different activities!

Here are a few recommended authors for Year 3 children:

- Andy Shepherd
- Adam Blade
- Jill Murphy
- Cressida Cowell
- Michael Rosen

There are more recommended authors on our school website.

# Year 3 topics:

Our topic in the Autumn Term is a history topic all about Ancient Egypt.

In the Spring Term our topic is the Revolting Romans.

Our Summer Term topic is the Blue Planet, where we will be looking at plastic and how it is impacting our world.

# Year 3 Homework

Homework is designed to support and consolidate the learning in Class.

We will be setting homework online via Google Classroom. More details about this will be sent out separately, but we will continue to use the homework grid system for Topic and English that the children are used to.

Maths will continue to be set as before on MyMaths.

*"And a strange sight it was, like tiny dark-haired  
people sitting there with her feet and one near  
touching the floor, totally absorbed in  
the wonderful adventures."*

# Reading

Your child should read every night.

From the week commencing 13<sup>th</sup> September we will be sending books home with the children.

*"And a strange sight it was, like tiny dark-haired  
people sitting there with her feet and one near  
touching the floor, totally absorbed in  
the wonderful adventures."*

Our school online reading  
programme.

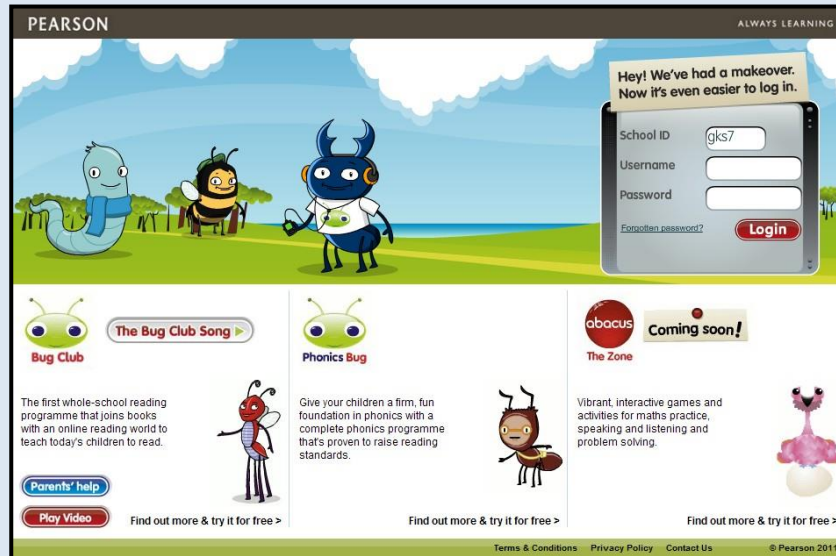

# What is Bug Club?

- A reading programme that the whole school will be using to help teach reading.
- Reception and KS1 have been using this scheme for two years and it has been very well received.

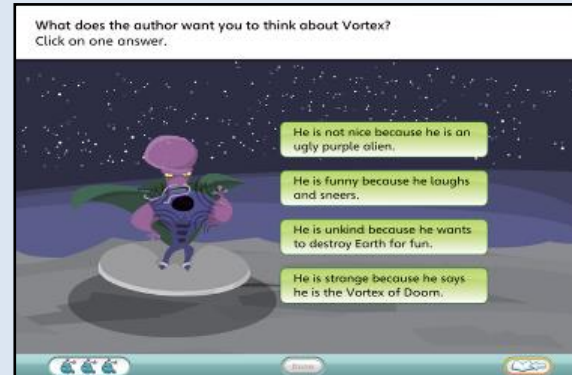

# Using the eBooks

We are providing each child with their own login details to a website where they can read eBooks.

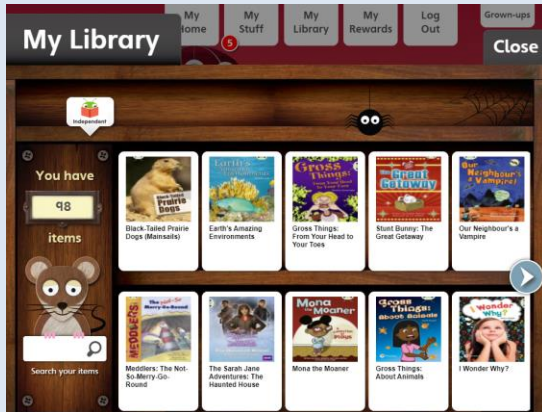

[www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)

# Reading an eBook

- You can click on the book cover to see how many quiz questions there are.
- When reading the book your child needs to click on all the bug icons to open the quiz questions.
- Your child does not need to finish all quiz questions in one sitting. They can come back to a book later.

# Books I Have Read

- When your child has finished a book, it will move to 'My Library'.
- If your child has not completed all quiz questions in a book, then it remains in the 'My Stuff' area and it will not move to 'My Library'.
- Until the book moves to 'My Library' Class teachers cannot tell that it has been fully completed.

# Getting the most out of the eBooks

- Children can read at their own pace.
- Encourage your child to attempt all of the quizzes.
- Teachers can track your child's progress and help them with types of quiz questions they struggle with.

# Houses and House Points

House points continue to work as they did last year. The houses are named after famous Olympians, they are called **Farah**, **Simmonds**, **Redgrave** and **Ennis-Hill**.

The children are awarded house points by the teachers for their behaviour, attitude to learning and school as well as their work.

*"And a strange sight it was, this tiny dark-haired person sitting there with her feet nowhere near touching the floor, totally absorbed in the wonderful adventures..."*

**WORK  
HARD  
AND  
EARN  
HOUSE POINTS**

Thank you!

We are really excited for a fantastic year ahead with your children!

Thank you for listening.

*"And a strange sight it was, this tiny dark haired person sitting there with her feet nowhere near touching the floor, totally absorbed in the wonderful adventures ..."*
