

1 October 2021

Dear Parent/Carer,

October is Black History Month in the UK and we at Farnborough Primary School are marking Black History Month by recognising and valuing the Arts (music, dance and art) that have shaped our diverse communities in the United Kingdom.

The aims of Black History Month are to promote the knowledge of Arts from black history, culture and heritage.

During the week of 11th October to 15th October children will be taking part in a variety of activities based around the Arts. With this in mind, we would be grateful for a donation of £3 per child to go towards the children experiencing delicious food tasting. Please send this cash donation in a named envelope to the school office by Thursday 7 October 2021.

For our activities, if you have these at home, we would like small to medium cardboard boxes to use for making musical instruments.

In order for our children to have first-hand experiences we would really like to show our children a variety of patterned textiles from these communities. In this regard, we would like to ask if any households have these available, we would be grateful if we could borrow these for the week to share with the children.

Children will experience diverse cultures through the Arts.		
Music	Design Technology	Art
 	   <p>Make Your Own African-Style Tongue Rattle</p>	 <p>Kente Cloth</p>  <p>Indian Art - Rangoli Designs</p>

Thank you in advance for your kind donations and continued support for your children and we are really looking forward to a very special week to celebrate Black History month.

Kind Regards,

Miss Morrison and Mrs Murray
