Miss A James BA PGCE Head Teacher

Mrs C Browne B.Ed Hons Head of School

19 November 2021

Dear Parents/Guardians,

## [Arabian Nights Corridor Display January 2022](#)

To brighten up the short days of December and January, staff are creating an “Arabian Nights” themed corridor for the children to inspire their imaginations. We know from creating displays in previous years, that the children really enjoy walking along the corridor and having a little bit of “let’s pretend” time. So, this year, let’s pretend we have been whisked off on a magic carpet to the world of Aladdin, Sinbad and Ali Baba and the forty thieves! It will serve as a special welcome when children return to school in January 2022 and staff are working hard to make it magical.

## [Parent Help Wanted](#)

Also, we would very much appreciate some help in creating **characters** for the display. If you have a talent for drawing and have some spare time, please let us know via the slip below. We would love full size drawings of Aladdin, Ali Baba and Sinbad, in addition to other characters from this superb collection of stories. We could also appreciate volunteers to draw some of the **background scenes**, such as palaces and buildings. We can provide the images, paper and art materials.

If you are not especially talented at drawing (join the club!) we also appreciate help cutting out all sorts of things for the display and these tasks can be sent home in a project folder via your child’s teacher.

**If you can spare the time to help, please complete the slip below and return to school before Friday 26 November 2021.**

## [Items needed for upcycling!](#)

Our market stall needs tubs of spices, if you have anything that could serve as tubs, maybe large empty protein powder tubs?

We are collecting empty laundry washing liquid bottles which once sprayed make exotic jugs or vases.

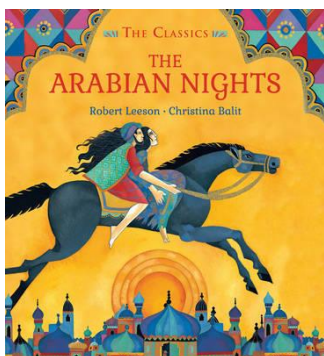

Finally, fabric donations are always welcomed in school and for this display materials/designs with an eastern theme would be particularly needed.

**If you have any of the above, please drop into school from Monday 22 November.**

We really do appreciate your time, help and talent to create a really lovely display for the children.

You may also be interested to know that once the display is taken down, it is then rehoused in the library for a year, so it really is a worthwhile project to get involved with. Many thanks, as always for your support in helping to provide an engaging learning environment.

Miss Pattison
