Miss A James BA PGCE Head Teacher

Mrs C Browne B.Ed Hons Head of School

7 January 2022

Dear Parents/Carers,

It has been so lovely to welcome all of the children back to school this week. They have settled back into school life magnificently after what I hope was a wonderful break for you and your families.

As you are all aware, absences of children and staff may be more prevalent than normal over the next few weeks due to Omicron. With this in mind, we wanted to outline what the learning contingency plan is, should your child need to isolate, but still be well enough to access learning online.

Every Monday morning Class Teachers will put onto Google Classroom their timetable for the week. This will be colour coded so you can see which lessons your child can access 'live' and which lessons can be accessed via the slides uploaded. As teachers are in school teaching, the slides and lessons may sometimes have to be adapted if isolating at home.

If there are any problems accessing the school work from home, please do let us know, and we will ensure support is given to you at home to help.

Attached is a Google Classroom guide. This is just a reminder of how to access the online school work and live lessons should you need this.

Wishing you all a wonderful and safe weekend.

Yours Sincerely  
Miss James
