7 January 2022

Dear Parents/Carers,

On the **19th January** a pop-up mobile Planatarium from a company called WonderDome will be visiting our school.

WonderDome is a company that provides amazing planaterium shows. From the outside, it looks like an impressively large dome which is filled with air from a strong fan. It is lightweight and will be transported into school where it is inflated.

Inside the dome, there is specialised visual and audio equipment which projects onto the inside of the planetarium giving a 360-degree experience which is totally immersive. The environment created by the dome is completely dark and immerses the visitor into a wonderful experience of the universe!

The company will be holding individual year group sessions throughout the day and your child's class will have an opportunity to visit the Planatarium and take part in this exciting experience.

Yours Sincerely

Miss James
Head Teacher
