Mrs C Browne B.Ed Hons Head of School

20 April 2022

Dear Parents and Carers,

Planting Day 2022 and Earth Day 2022

On Thursday 28 April, we will be holding a Reception to Year 5 planting day whereby each class will plant vegetables, flowers, and sow seeds around the school for the summer months.

For this day, we would be grateful for any donations of seeds, flowering plants, or pots for our classes to use. Planting day will be an own clothes day, if your child has gardening/outdoor gloves available please bring them in.

On Friday 20 May, will be celebrating Earth Day. During the day, we will be considering the importance of our Earth and how we can protect and celebrate our planet.

Year 6 will be planning and leading the day, to ensure that all classes are considering the use of energy within their classroom. We are planning to have an electricity/ technology free day; interactive whiteboards and lights will be turned off in areas deemed safe without lighting. Year 6 will create several Earth Day events for the school to participate in.

If your child lives close to school, within a mile radius, we would like to encourage walking to and from school.

We are really looking forward to this day.

Mrs Cheeseman, Mrs Murray, and Mrs Roberts
