

Dear Parent or Grandparent,

As you know our children love stories, in previous Reception classes we have run a session called **Drop Everything and Read**. This is where for the last 25 minutes of the day we will stop what we are doing and you are invited in to share books from the classroom with your child and other children in class.

If you would like to come along to this special session for Reception, we will be running this every Friday at **2.45pm** from after half term. The first date of Drop Everything and Read will be **Friday 10th June 2022** and then every Friday until the end of term.

We are very excited to start this up again and we hope that you will be able to join us.

Best wishes,
Miss McDonnell
