

Needle Craft Club

Needle Craft Club is going to continue in Farnborough Primary School and is open for children from Y3, Y4 and Y5.

Skills will be successfully built each week and crafters will have an opportunity to explore a wide range of high quality fabrics and haberdashery. The children will be taught how to cut out patterns and master simple hand sewing techniques and stitches. The club is suitable for those who have never attended before, and also children who took part previously, as they will have the opportunity to progress and work on new and exciting projects. Projects for each child may be different depending on their wish and ability. Every child is advised to attend all lessons in order to maximise the outcome of their final project.

Needle Craft Club is for children who enjoy using their art skills and love craft.

In Term 6 we will start making a present for Father's day, the next and main project will be decorating beach bags and the children will be encouraged to finish their embroidery as some need more time for that. The aim of introducing crochet using a hand and crochet hook continues.
