

These activities are either linked to English or topic and give you the opportunity to do things that really matter with family and friends at home, whether it be having fun or being responsible in your house. These tasks need to be completed to the best of your ability. If a task is colour coded in blue, then the outcome needs to be presented in your homework book; if it is shaded in yellow, then no evidence is required in the book. Homework will be collected weekly on a Tuesday.
