Mrs C Browne B.Ed Hons Head of School

13 January 2023

Dear Parents and Carers

## **Building Refurbishments to Farnborough Primary School**

As you may recall a few months ago I wrote to you to advise that Bromley Council had agreed building refurbishment work to our school.

I am pleased to announce that we now have a start date for these works, which will be Monday 13 February 2023, and scheduled to end Tuesday 15 August 2023.

The works that will be carried out will consist of improving, replacing and repairing the current facilities at our school and creating a new library, music, computer and group rooms. We will also have a new toilet block installed. The news spaces are being created by using all of the space within the quadrants (around the hall).

Although this is very exciting, it does mean that there will be some changes within the building whilst the project takes place. This includes the closing of the current music and computer room. The new space for music will be in the spare classroom we have and computers will be distributed across classrooms. The building works also mean there will be different entry and exits points for the children at the start and end of the day.

	<b>Drop Off Point- 8.40am</b>	<b>Pick Up Point &amp; Time</b>
<b>Reception, Year 1 &amp; Year 2</b>	Reception and KS1 playground (accessed by following the Reception pathway)	Reception and KS1 playground (accessed by following the Reception pathway) at 3.10pm
<b>KS2 (Years 3-6)</b>	Staff Car Park where children will meet and line up with their class teacher	Staff Car Park where class teacher will dismiss children to parents at 3.15pm

**We will start the new entry and exit arrangements on Monday 23 January 2023 so that the children can get used to new new system we have put in place.**

A letter outlining the finer detail regarding the project will be issued prior to half term. In the meantime if you have any questions or concerns, please do come and see me.

We are really excited about the new facilities and space we are going to have for the children and we really appreciate your support and patience during the next few months.

Kind Regards,

Miss James  
Head Teacher
