Head of School: Mrs C Browne BEd (Hons)

19 February 2023

Dear Parents/Carers,

I hope you have all had a lovely half term break.

As promised, I am writing to provide you with a buildings update. If any of you have walked past the school over the past week, I am sure you will have noticed that the works have definitely started.

The main difference that you and the children will notice on Monday is that there is now fencing across the old KS1 and KS2 entrance to the building.

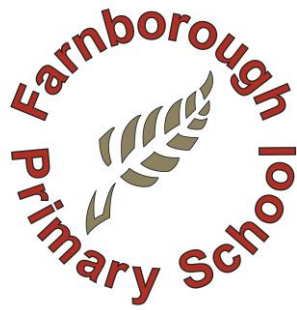

Children in Reception, Year One and Year Two will continue to use the path that runs alongside the side of the building and through to the key stage one playground to come into and leave school. Children in years three to six, will continue to use the main entrance.

Our evacuation point will now be on the field, leaving the school site if necessary, via the KS1 playground. We will do a practise on Monday morning, so please explain to your children that this will be happening if you feel this will cause them any distress.

Although from the outside of the building, it looks rather underwhelming, the builders have worked exceptionally hard this week and already made lots of progress.

Farnborough Primary School is a member of Nexus Education Schools Trust and is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Nexus Education Schools Trust (NEST) is a charitable company limited by guarantee and registered in England and Wales Company Number 08753719. The hall side entrance,
which used to be the
entrance for KS1 and
Breakfast Club.

As you can see, lots has already happened, and I will try and send you photos every fortnight, so you and the children can see what is happening behind the wooden boards.

On Monday each class will be doing a walk around the building so they can see the changes and also see what has stayed the same.

Enjoy the last part of the half term and I look forward to seeing you all on Monday morning.

Best Wishes,
Miss James
