

Needle Craft Club

The NeedleCraft Club is going to continue and will be getting ready for the most celebrated season of the year.

The club in Farnborough Primary School will be opened for children from Y3, Y4, Y5 and Y6.

Skills will be successfully built on each week and crafters will have an opportunity to explore a wide range of fabrics and haberdashery. All equipment and materials are provided. The children will be taught how to cut out patterns and master hand sewing techniques and stitches. NeedleCraft Club is for children who enjoy using their art skills and love craft.

In Term 4 children can choose from simple projects to rather challenging projects which need more sewing skills. The main project is a present suitable for Mother's Day celebration and a project relating to Easter. The aim of introducing and improving crochet skills continues.
