3 March 2023

Dear Parents and Carers,

KS1 & KS2 Science Club

We are currently looking at offering a Science Club, once a week, during lunchtime. We needed a minimum number of participants for this to be a viable offer and would like to know how many of our children would be interested in joining the club.

The club would run for 5 weeks from 20/4/23 – 25/5/23. However not on the 18/05/23. Session would be 40 minutes long and a mixture of exciting demonstrations and fun hands-on activities - often with something to take home after the session.

Sessions would be run by Fizz Pop Science and cost £32.00 for the 5 sessions. If this is something your child would be interested in then please could you return the below slip by the 10th March to allow us to get this up and running for after the Easter break.

If your child is entitled to free school meals then we will be able to support you with the cost of this opportunity.

If we do have enough interest then places will be offered on a first come, first served basis.

Yours sincerely,

Mrs Cheeseman
Science Co-Ordinator

Return Via: School Office

FAO: Mrs Cheeseman Re: Science Club

My child would be interested in a lunchtime Science club:

Child's Name:.....Class.....

Signed:Date
