Dear Parents/Carers,

## **Zoolab experience – Monday 27 March 2023**

As part of our Science topic about animals we would like to invite Zoolab to visit Farnborough and give Cherubs an exciting ‘animal’ experience.

Zoolab’s mission is to enthuse and excite children about nature, the environment and the world around them. Zoolab animals help make scientific concepts come alive through an hour long workshop. Children will see, be up close to a range of invertebrates; cockroaches, millipedes, snails, tarantulas, stick insects and scorpions.

There is a charge of £7.00 towards the cost of this experience, which can be paid via PAY 360, our online payment system. Although the charge for the trip is voluntary, if we do not receive enough contributions from families the experience will have to be cancelled. If you are eligible for and have registered for free school meals this trip will be paid for by the school.

Please complete the permission slip below and return to me as soon as possible and confirmation that you have made payment of the £7.00 contribution, if appropriate, or indicating payment made on PAY 360.

Yours sincerely

Mrs Y Murray  
Cherubs Class Teacher
