

Farnborough Primary School PTA

Farnborough Primary School, Farnborough Hill, Farnborough, Orpington, BR6 7EQ

The PTA are setting up a **“Helping Hands”** WhatsApp group.

The main aim of this group is to reach out to parents/carers who would be willing to help at PTA fundraising events.

We will keep messages concise and relevant and will run voting polls to get volunteers for events. We do not want this Group to be a burden for you to be on! 😊 We want to raise money for the children ensuring they have fun along the way.

Please do not think working or having smaller children at home means you can't help. Our most active mums and dads work full time or have other commitments. If your child has younger siblings, the PTA is a wonderful way to familiarise them with their future School.

Being on the list will not commit you to anything, it is just to help the PTA have a list of people who would like to be active on occasions that work for you.

We all have lives away from school and it is ok to say no, we must strike a happy balance and with more volunteers the PTA will be all the better as we can share the load and raise much needed funds along the way.

Join our “Helping Hands” WhatsApp group to find out more about helping!
