## PTA Logo Competition

We received some fantastic entries into our logo competition earlier this year. It was not an easy decision for the School Council, so they picked a top 3!

The PTA team alongside the school therefore had the hard decision to pick a winner!

We found this very difficult too and therefore picked two winners, and we will be merging the two logos together to create our new logo. Well done Valentina and Emmy!

Valentina Ratnarajah

Emmy Diamond

All entries will receive a prize (£15 Amazon voucher each for the winners and £5 Amazon voucher to all those that entered). These will be distributed via the school office before the end of term.

The logo is being transformed into a graphic for use on all our marketing. We will show you the finished article once it is ready.

Thanks for your support,
