Dear Parents and Carers,

Windrush Celebration

As part of our Windrush Celebration we have organised a number of activities for the children to take part in including a Steel Pan workshop a dance workshop as well as providing the children with a taster sample of foods from the caribbean..

This will be a fantastic opportunity for the children to experience a different style of music, dance and culture. Giving the children the opportunity understand about the influence that the Windrush generation has had on our lives today.

Each class will have 1 hour and 20 minute steel pan session. The sessions start with a brief introduction to the history of steel pans, where it's from and how they are made, before demonstrating the different styles of music that they can play. The children will then break up into groups and have a go for themselves. The session consists of playing techniques, working as an ensemble and having fun.

Each class will also get to take part in a carnival dance workshop, where the children will learn a routine as well as the history of the dance. These sessions are always a lot of fun and the children always really enjoy them.

To enable us to offer these opportunities we are asking for a £5 contribution towards them.

Yours sincerely,

Mrs Cheeseman
