Monday 10 July 2023

Dear Parent/Carers,

I can't believe it is already nearly the end of the academic year. It just seems to have flown by!

It therefore means we have reached that time where we inform you of who the class teachers are for the following year. This year we are doing this slightly differently, in that this letter will let you know of staffing changes for the next academic year, and on Friday, you will receive your child's end of year report with their end of year assessments where necessary in years one, two four and six.

Mrs Browne, who has been a part of our school community for the past 23 years will be leaving Farnborough at the end of this academic year. Whilst Mrs Browne will still be working for NEST, it does mean that this is an end of a very long era for our school and Mrs Browne,

Mrs Browne has been an integral part of our school in both her teaching and leadership capacity. Her immense contribution to our children and the school has been completely invaluable.

She has been a wonderful part of our school and shown remarkable dedication, outstanding commitment and been an amazing and caring teacher and leader at our school.

We would like to express our sincere gratitude to Mrs Browne for her incredible service to our children and school and we wish her the very best in her new role.

It goes without saying that she will leave behind a lasting legacy and we will always appreciate her many years with us.

We will also be saying goodbye to Miss McDonnell who has worked at Farnborough for 9 years. She has been an absolutely incredible member of our team, working across the school with all the children and making the hugest difference to our children. We will miss her calm and helpful nature and wish her well in everything that she goes on to do.
