Executive Head: Miss A James BA (Hons), PGCE, NPQH

31 October 2023

Dear Parents/Carers,

We hope you all had an amazing half term break. Please see below some important reminders:

Start of the day for KS1

Please may we ask that parents now drop off their children to the main back door (as you follow the path around the back of the school) where the children will be met by a member of staff and walk around to their classroom. Collection arrangements are to remain the same.

Start of the day for KS2

Please may we ask that parents/carers now drop off children in KS2 at the green gates by the hall. If you do need to speak to your child's class teacher, please see them at the end of the school day, however, if there is an urgent message, please come to the front office to pass the message on. Collection arrangements are to remain the same.

Lunchtime Football

If your child likes to play football at lunchtimes with their friends, please can we ask that during the current wet and muddy weather conditions that they bring in a spare pair of trainers and joggers.

Please note if your child plays the organised football at lunchtimes with Mr James that it is essential, they bring in these spare items.

Autumn and Winter Weather

Please may we ask that during the colder and wetter months ahead that your child wears suitable footwear and wears a coat to school.

Birthday and Celebration Treats

We love how the children enjoy celebrating their birthdays and other occasions with their friends by bringing in sweets and treats, however, please may we remind you, that anything containing nuts is absolutely not allowed (including snickers bars). It has been brought to our attention that 'pinballs' and 'lollipops' are also being given out. As these are choking hazards due to the spherical size of these sweets, please do not put these sweets or anything this shape of size in the treats that your children bring in.
