

Needle Craft Club

The NeedleCraft Club is going to continue and will be opened for children from Y3, Y4 and Y5.

Skills will be successfully built on each week and crafters will have an opportunity to explore a wide range of fabrics and haberdashery. All equipment and materials are provided. The children will be taught how to cut out patterns and master hand sewing techniques and stitches. NeedleCraft Club is for children who enjoy using their art skills and love craft.

In Term 3 children the main project is a bookmark. Beginners will be encouraged to use plastic canvas and later, they will use cotton canvas. Advanced club members will have the opportunity to make embroidery on cotton canvas or using Aida material and cross stitch technique. The advanced members will continue to improve the crochet technique, reading scheme instructions and we might think about starting knitting.
