### New French Club

Dear Parents,

We are excited to introduce the return of Le Club Français, our fun French club, which we hope to start in the Summer term at Farnborough Primary School.

LCF has run a French club at the school previously and we are happy to offer a brand new club where beginners to French can have fun while learning a language. KS1 and KS2 children will receive French lessons on a weekly basis and can explore French further, going into different topics and boosting their confidence in the learning of the French language.

All of LCF's courses are structured topic-based courses which enable children to learn a wide range of vocabulary and prepare them for future language learning, through tried and tested learning methods along with the use of fun games, songs, stories, drama and crafts. The emphasis is on FUN!

All children who become members of the club will be motivated to gain colourful stickers to show their progress and certificates for their participation and effort.

After joining children will have the option to receive a membership pack and a sticker chart in the pack, plus the songbook with 50 songs & access to stream the club music for a fee, as well as access to our interactive website, Babelzone, which includes many animated songs and stories, games to practice French, and printable activities for more fun at home. This is accessible on any device. (This may be received in September).

The cost per session after the trial will be £5.00 for the lunchtime club and £8.00 for a one hour after school club, we offer monthly/card payment options.

To show your interest please tick the box below with your preferred option. Sign up for the free taster, and let us know your child's best availability, by going to <https://www.clubenrolment.com/LCFbromley/newuser.php?userType=3&mode=0>, enter the club location as the name of your school and enter your information to register your interest. We will communicate with all parents who register in good time about whether we are able to run the taster session. This will depend on having enough children interested in attending. Please complete this by 31st March so we can confirm with the school in good time.

**I am interested in the 1 hour After School French club for my son/daughter**

Yes  No  Maybe

**I am interested in a 30 mins Lunchtime French club for my son/daughter**

Yes  No  Maybe

LCF Clubs has run clubs locally across the Bromley and SE London areas since 1998, and across the UK since 1985, and we have motivated thousands of young people to continue learning languages at high school and beyond. You can learn more about us on the links below.

Merci!
