Friday 26 April 2024

Dear Parents and Carers,

ZooLab Visit Wednesday 1st May

As part of our Science topics about animals we would like to invite Zoolab to visit Farnborough and give the children an exciting and hands on 'animal' experience. Zoolab's mission is to enthuse and excite children about nature, the environment and the world around them. Zoolab animals help make scientific concepts come alive through an hour long workshop. Children will see, be up close to a range of invertebrates; cockroaches, millipedes, snails, tarantulas, stick insects and scorpions.

Each class will have an individual and tailored experience with links to their science topics.

- Reception Animal Explorers
- Year 1 Animal Explorers
- Year 2 Caring for Animals
- Year 3 Climate Crusaders
- Year 4 Food Chains
- Year 5 Life Cycles

To enable us to run these fun and exciting sessions for the children we are asking for a voluntary contribution of £4 a child to help us cover the cost of each of the workshops for the children. Thank you for your help and support.

Yours sincerely,
Mrs Cheeseman & Mrs Murray

Return Via: School Office

ZooLab Visit Wednesday 1st May

- I have paid the voluntary £4 contribution via +Pay.
- My child is eligible for free school meals.
- I give permission for my child to take part in the session including the handling of animals.
