## **Farnborough Primary School – Autumn Term Trips 2024**

Letters for Autumn Trips will be issued on our return in September and the online payment system will be set up for you to arrange payment in full, or by instalments.

We fully understand that trips are an added financial pressure and luxury, so please do not hesitate to speak to us if your child's trip is not affordable.

If your child only has one trip listed this term, this means there will be more during the Spring and Summer terms, so that the offer is fair both financially and opportunity wise.

We have entered for various ballots for different types of events for the children to attend. Should we be successful we will notify you as soon as possible once confirmed.
