

Year: 1
Autumn 1

Take Away Homework!

Choose your homework from the menu below and record in the homework book: Complete one a week in your child's homework book and hand in on Mondays with your reading folders.

For our geography learning, go for a walk in your local area. Can you name the different buildings? Can you talk about what they are called and used for? Draw pictures of what they look like and label them. For example, a house, flat, pharmacy, post office, hairdresser.

Following our PE lessons, can you jump 10 times, 15 or 20 times? How did you feel at the beginning and at the end of the activity? Draw a picture, label or write a sentence about how you feel. Starting with 'I felt!'

We are learning about the human body in science, can you practise singing the song heads, shoulders, knees and toes.

[Head, Shoulders, Knees & Toes - Exercise Song For Kids with DJ Raphi \(youtube.com\)](https://www.youtube.com/watch?v=...)

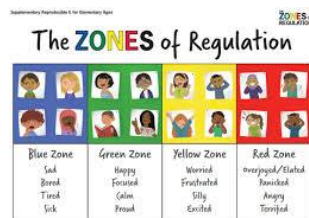

For our maths learning, collect objects at home and sort them into different groups. Can you draw and name the groups of objects?

For science, we are learning about our five senses, visit a favourite place of yours and draw, label and/or write sentences about the place. What can you hear and see? What does something feel like? Take a photo of the place and draw a picture.

In PSHE, we are learning how to regulate our feelings. With a grown up, can you talk about what makes you feel happy, draw a picture, label or write a sentence about feeling happy.

Linked to geography and DT, can you create a building using junk modelling materials i.e. boxes, cardboard tubes, recycling materials.

Share, read and talk about a book with an adult. Can you name the characters in the book? Can you draw a picture and write the name(s) of the characters.

What are the characters doing?
