Dear Parents,

Whole School Dance Workshops

We are already making plans for the year ahead and hoping to secure lots of lovely opportunities for the children for the next academic year. One of the opportunities would like to be able to offer next year are the dance workshops. We would like to be able to offer one dance workshop per term.

18th October 2024 – Afrobeats – Black History Month

7th February 2025 – Children’s Mental Health Week

27th June 2025 – Flamenco Workshop

To enable us to do this we are asking for a £7.50 per child, voluntary contribution to cover the cost for the 3 workshops. This can be paid as one payment of £7.50 or as 3 instalments of £2.50 through +Pay.

The children always really love these workshops, and they give our children the opportunity to learn about a topic or celebration in a multi-sensory and active way which allows children to express themselves in a different way outside of the classroom. We would really appreciate your support in being able to fund these workshops. Thank you for your support.

Kind Regards,
Mrs Cheeseman
