

HELP SPREAD CHRISTMAS JOY

* VOLUNTEER AS FATHER CHRISTMAS! *

This year, we would love to bring the magic of Christmas to life for the children with the return of story time with Father Christmas himself at our Christmas Market on the 22nd November!

To make this happen, we are kindly asking if any parent/carer or grandparent would be willing to volunteer as Father Christmas. It's a fantastic opportunity to spread joy, create memories, and add some extra sparkle to the day for the children.

If you or someone in your family would like to step into Father Christmas' shoes and don the iconic red suit, please let us know by 4th November. We will provide the costume and all the details you'll need to help make the experience magical for everyone.

Thank you for your continued support in making this festive season memorable for our children. We look forward to hearing from you soon!
