

Resurfacing of

**Farnborough Hill  
Tubbenden Lane South to Shire Lane**

LB of Bromley has appointed J B Riney & Co Ltd to resurface the carriageway.  
These works will begin

**Wed 05-Feb**

and we estimate that the project will be completed

**Thu 06-Feb**

our working times will be between

**09.00-18.00**

**Phase 2 will be carried out**

**Fri 7th Feb**

Between

**21.30-05.00**

The Project aims to improve journeys and safety for both pedestrians and vehicles.  
To achieve this, the works will involve milling, repaving, and relining of the surrounding  
Carriageway.

Please note a road closure will be implemented, with a small local diversion in  
Place.

We do advise there may be some delays to normal journey times.

You will be requested to temporarily move your vehicles from the proximity of the  
works whilst construction is in progress, a car lifter will be in place to move any obstructing  
cars to an adjacent road.

Please note, for any vehicles moved, contact LB Bromley 0208 464 3333.

We apply a hot bonding agent to the carriageway, so please speak to a member of the  
team before driving across.

Both the London Borough of Bromley and J B Riney & Co Ltd will endeavour to maintain  
business as usual for all residents in the area

Should you require any further information phone London Borough of Bromley 0208 464  
3333 in the first instance for advance information.

Or when works are ongoing the on-site contact will be  
**Clint.Walker 07570 394445.**
