

# Farnborough Primary School PTA

Farnborough Primary School, Farnborough Hill, Farnborough, Orpington, BR6 7EQ

Dear Parents and Carers,

We are incredibly excited to welcome *Zack George* – also known as **Steel from Gladiators** – to Farnborough Primary School on **Thursday 3<sup>rd</sup> July 2025** for a special morning of motivation, movement, and fun!

Zack will be delivering a high-energy, interactive presentation for the whole school, focusing on mindset, fitness, and well-being. Pupils will take part in breathing techniques, movement activities and Q&A sessions – all designed to inspire confidence and resilience.

Following the assembly, Zack (STEEL) will visit each classroom, take photos with the children, and sign drawings or memorabilia.

As a memento of this exciting experience, every child will also receive:

- **School-branded foam finger** (a 45cm length, customisable souvenir to get everyone in the gladiator spirit!)
- A Steel Autograph postcard
- A bottle of water from Zactiv

The event is heavily subsidised by the PTA but we are asking a **£5 contribution per child** to help cover the mementos and cost of the event. **Please make payment via Iris Pay**, the school's online payment system.

We're really looking forward to this uplifting event and thank you in advance for your support.

Kind regards,

Farnborough PTA team

*(mainly Lauren, but Andy really wanted the foam fingers!)*
