

# Farnborough Primary School PTA

2024-2025

## A BIG THANK YOU!

As we wrap up the school year, I want to extend a heartfelt thank you to everyone – our wonderful children, supportive parents, dedicated staff, incredible PTA volunteers, and most importantly, our amazing PTA Committee.

Thank you for getting involved, attending our events, and supporting our activities throughout the year. You've all made a real difference, and we are absolutely thrilled to share that together we have raised c£7,356 profit this school year!

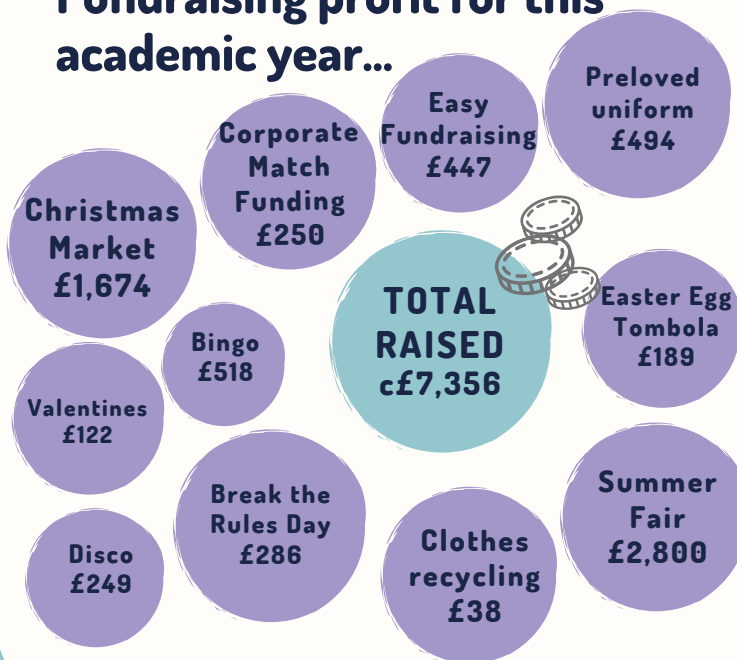

As our current committee's tenure comes to an end, a new committee will be elected in early September. Please continue to support them just as you have supported us – your involvement truly makes all the difference.

Have a fantastic summer break and a well-deserved rest.

Vicky xx  
Farnborough PTA Chair
