CHOIRS

Youth Choir - Years 5-9 Mondays 5.30-7pm

This unusual age range gives children who love singing the chance to come together and meet other like-minded singers. Whether they want to stay together with friends as they progress to secondary school, or meet others from different schools, these singers can all come together every week to do something they love.

We sing a range of music covering all sorts of styles, as well as lots of music that is written especially for youth choirs. We have high standards – but don't audition. We just ask that children are willing to work together in a group, and be open to singing anything!

Community Choir - all adults Mondays 7.30-9pm

Join a brand new welcoming adult choir that brings people together through song. The Singsmiths Community Choir is open to everyone aged 18+, regardless of musical background. We sing a wide range of styles – from pop and musical theatre to folk and light classical music. Essentially, think Radio 2 rather than Radio 1 or 3.

You don't need to be able to read music. You don't even need to be able to sing. You just need to enjoy singing!
